Where's your motivation,

Where's your passion, where's your drive,

Wishing everything was so complete,

You want fast cars, guitars, show your diamond rings,

WTF, no one rides for free,

Get Off Your Ass

CHORUS

Think fast, make it last, while you have a chance,

Get off your ass, while you still can,

Do something with your life, take a stand,

Where's your motivation,

Looking for a plan,

Don't need no silver spoon in hand,

Don't need no welfare, special care, need no charity,

Looking for a walk on easy street,

Get Off Your Ass

CHORUS

(spoken)

Get off your ass, you know who you are,

There's still time, get up or get out,

Do something with your life, take a stand,

You still can, get off your ass...

SOLO

Get off your ass, while you still can,

Do something with your life, take a stand,

Get Off Your Ass
