LOST ANGEL

Destination

This band hails from Ohio. On this album are eight tracks that let us hear a band that is still standing with both feet in the eighties. They bring the kind of heavy melodic rock that you could find all over the Sunset Strip in LA in the eighties. The CD opens with the simple but very dynamic rocker "Rock". Highlights on the CD are "Come Around Goes Around" and "Kiana" both up-tempo songs with a great melody

line and hooks. All the other songs are also very catchy, no fillers on this CD. Vocalists Greg King is by the way the perfect singer for this kind of stuff. Lost Angel is a band that can make a corpse start rocking. If you are into bands like Ratt, Firehouse, Brittany Fox and all those other eighties bands then you are going to adore this CD. (8)
