Publisher: Thundercage

Performing Rights Society: ASCAP

All right
I think it's gettin time
To leave your troubles behind
I think it's gettin time
To leave your worries behind
Time after time
I hear you say "We Gotta' rock"
I'll lay it on the line
Are you ready to rock?
You know how we play it

CHORUS

Let me hear you say it – Rock (Rock)
Let me hear you say you want to Rock (Rock)
Are you with me?
We're gonna rock, rock, shake a lot
Give it what you got
Watch the night
Blow like dynamite

I think it gettin time
To put the fire to the fuse

I think it gettin time
For some Rock and Roll abuse
So crank it up
Until it's pounding on your brain, a little bit insane
But once you're taken in
You'll never be the same
You know how we play it

CHORUS

Awwh - Look out, look out it's gonna blow

SOLO

Let me hear you say you want to Rock (Rock)
Let me hear you say you want to Rock (Rock)
Are you with me?
You want to Rock (Rock)
Let me hear you say you want to Rock (Rock)
Come on and hit me
We're gonna Rock (Rock)
Till the morning light
We're gonna Rock (Rock)
Till it feels right
We're gonna Rock (Rock)
I want you to come and rock me
