I hear so much cruelty, Done by those before,

The evil ways of men, settle every score,

Some dwell on abuse, Time to blame long past,

Try to make us pay, The deeds done last,

Will crying on paper, Bring it all back,

Where were you today, Fathers of children lacks,

Pay more attention to details, Ages of coming to pass,

Clutching it till it hurts, Cancer eats you fast,

Many times I wonder, If the hate would cease,

If you could let go, Leave us with peace,

Much more to be gained, With other things,

Pain me no more, Your petty thoughts bring,

Like one to another, I hear you the same,

It's just like before, Look for innocent to blame,

You really should stand, Take some of it on,

Forgive all those after, Before time is gone,
